

HOPPE EASILY WINS OVER COCHRAN; TWO BIG RUNS FEATURE HIS PLAY

New York, Nov. 16.—Walter Hoppe won his second victory in the international 152 ball billiard championship tournament at the Hotel Pennsylvania tonight. His victory of 500 to 162 over Arthur Cochran was built up on two massive runs of 192 and 169. The third best run was 63. The average of the former champion was 55.6-9. Cochran fell to an average of 20.2-8.

Throughout his sizable runs Hoppe chiefly favored rolling caroms of a somewhat free handed variety. His stroke appeared untroubled by the pressure of the match. He was brilliantly played caroms which his skill at cushion and position made possible.

Standing of the players:
W. L. H. R. Average
Hoppe 2 0 192 55.6-9
Cochran 1 1 162 20.2-8
Hagenacler 1 1 140 33.5-15
Cochran 1 1 140 33.5-15
Hagenacler 0 3 178 31.6-15

The play in detail.
Walter Hoppe had luck with him when he won the bank for lead in the night game. His first inning, a compilation of free rolling and somewhat open table play, resulted in a tally of 57. He missed a short draw to the cushion, Walter Cochran on his first turn at the table collected 13 by difficult open table shots. The defeated champion on his second turn at the table gave a better exhibition of his skill. He inclined to fiddle on his stroke Hoppe was still a master on control and position. He assembled the ivory by a good ball drive on his 14th shot that sent the red twice two length of the table. It brought the globe together in a corner from which he established a line run at 29. The latter had been unable to accomplish anything of note as he appeared undecided exhibiting the fatal propensity to pick the wrong shot with the consequent loss of position.

Hoppe collected 63 by a lot of drive and gather billiards in his fifth inning. He seemed to have lapsed from his previous good control, a spread draw accounting for his miss. By this run, for seven innings Hoppe had increased his lead to 312 to 81.

Hoppe again sent the ivory cavorting for a triple figure run in his sixth inning. He had been unable to accomplish anything of note as he appeared undecided exhibiting the fatal propensity to pick the wrong shot with the consequent loss of position.

especially since they promise plenty of good American dollars. The Europeans prefer to engage in a series of inconsequential matches against inferior opponents rather than take a chance with a good American rival. Beckett and Carpenter, I understand are matched, and will be matched, for a bout in January. That is an illustration of my view. Carpenter already has knocked out Beckett. Under the circumstances, I don't see any reason for another Beckett-Carpenter match, even in view of Carpenter's defeat by Siki. Dempsey knocked out Carpenter, but he has no talk of arranging another meeting between them. Such a match would not be tolerated.

Richard added that similar conditions to a certain degree, apply also to American boxers. He pointed to the case of Tom Gibbons. The St. Paul boxer is ready to box any white man near his weight, yet cannot get an engagement. Harry Greb, American light-heavyweight champion, both have been offered a match with Gibbons, but nothing has come of the negotiations.

MAYS TO BE WITH YANKS NEXT SEASON

New York, Nov. 16.—The mysterious case of Mays apparently was cleared up yesterday. In a letter from Colonel T. L. Huston made it exceedingly clear that the submarine pitcher will be with the Yankees next season, waiving or no waiver.

"I've got two sets I want to make about Mays," said the Colonel. "I want to be first of all that he'll be a member of the Yankee ball club next year. I want to be sure that Mays and Carl will stand pat on their recalcitrant twirlers. Well-founded reports had it that Mays was headed for the St. Paul Club of the American Association.

Colonel Huston refused to become explicit as to the reasons lying behind the request for waivers. The most likely guess is that the motive was one of discipline. Intended as a gentle hint to Carl that he was to be a member of the Yankees team. Probably the Yankees wanted to find out how the field lay, and they discovered one thing that none of the other American League clubs wanted to know.

This fact, coupled with Colonel Huston's statement, ought to put a quietus on reports that a trade involving Mays was being made. Cleveland and Chicago have been mentioned as possible destinations, but three up both hands and moaned pitifully when a deal for Mays was broached by Huggins last summer. Kid Gleason might care to take a look at Mays, but the prospects are not of the brightest.

SHOOT TO TIE SCORE

Wednesday night, the weekly shoot of the Norwich Rifle Club was held. There were 12 shooters in all, one of whom was F. W. Holmes, the other by Allyn Brand. The result was a tie score. Brand was high man on Holms team while Brand led his team in scoring with 38 out of a possible 100.

The score follows:
F. W. Holmes, (Capt.) 79, C. Palmer 55, G. Bidwell 43, Brewster 63, Perry 67, Phillips 19, Allyn Brand (Capt.) 38, Pierce 75, J. Bidwell 63, Townsend 68, Houghton 71, A. Phillips 60.

The shooting was done on the standard N. R. A. target at 25 yards. In addition to being high man Brand won the prize for a pocket flashlight, offered to the man making the highest score. Refreshments of apples, doughnuts, cheese and sweet cider were enjoyed during the evening.

The club since its reorganization a few weeks ago, has several new members, all interested in shooting from a scientific standpoint and bids fair to be one of the strongest clubs in this part of the state.

RECORD CROWD EXPECTED

AT YALE-PRINCETON SATURDAY
Princeton, N. J., Nov. 16.—The largest crowd in Princeton's football history will gather in Palmer stadium to watch the annual battle between Yale and Princeton.

The present sale of tickets, \$5,744, is several thousand above that for any previous year, increased capacity at the stadium having been provided by placing seats in the top runway, around the cinder path and in the open end.

Plain clothe men and uniformed guards have been detailed to prevent ticket scalping.

Forty-one special trains will be run from New York and Philadelphia and the student help bureau has been organized to facilitate movements of automobiles.

The annual senior prom, and musical club concert will be held tonight before the game.

ALL YALE TO BE AT PRINCETON SATURDAY
New Haven, Conn., Nov. 16.—The Yale Bulldogs with an enthusiastic retinue consisting of practically every able bodied professor and student at the university will advance on Princeton tomorrow with the stragglers bringing up the rear on Saturday. Unusual interest in the Princeton game was shown tonight at a football rally when almost the entire student body turned out to promulgate a stirring send-off to the team tomorrow. The suspension of all classes on Saturday will leave the Yale campus deserted.

A special train made up of two sections will leave New Haven Saturday afternoon for Princeton directly by way of the Hell Gate bridge, while no less than fifty-one special trains will leave New York, Philadelphia and Trenton.

One of the last minute announcements made promised a trip to Atlantic City to rest up after the game.

YALE SOCCER TEAM PLAYS PRINCETON SATURDAY
New Haven, Nov. 16.—While the Yale-Princeton football game is the big event of the day, the Bulldogs and the Tiger will clash in three other contests on Saturday at Princeton.

The Yale and Princeton varsity soccer teams will play at 11 in the morning while the freshman teams of the two universities will clash earlier in the day. The trapezoidal teams of the two universities will meet in the first of a series of intercollegiate shoots at 2.30 in the morning. Five men from each college will shoot.

What the Hardigs Think About It.
The Hardigs think that it is all right for the Tigers to forget, but when it comes to forgiving they think they ought to speak. The Hardigs accept the challenge of the Tigers, and would like to play them at the Fairgrounds Sunday (Nov. 26). For further arrangements answer through this paper.

YALE HAS LAST DOLL

BEFORE MEETING TIGERS

New Haven, Nov. 16.—An hour of light work this afternoon marked the end of the preparation of the Yale varsity for the invasion of Princeton Saturday. The team with substitutes and trainers, will leave for Trenton tomorrow at noon and will start for Princeton Saturday morning in buses. A train delay two years ago brought the team to the stadium a few minutes before the beginning of play but this year's schedule will give ample time for practice before the contest starts.

It is practically certain that Bill Muller, first string fullback will not be in the lineup of the Yale varsity, though he was on the field today for enough practice to keep in shape. Scott will start the game as fullback with Eddie Bench, who plays fullback and halfback equally well, as substitute.

Charlie O'Hearn, Bud Adams and Dan Kelly follow in the varsity. Although O'Hearn will not be in the game, Nedlinger going in as quarterback.

The probable lineup is as follows: Eddy, left end; Miller, left tackle; Cruikshank, left guard; Lovejoy, center; Gross, right guard; Dwyer, right tackle; Halman, or Deaver, right end; Nedlinger, quarterback; Wright, left halfback; Jordan, right halfback; Scott, fullback.

VILLA GOES OUT OF HIS CLASS AND BEATS GOLDSTEIN, BANTAMWEIGHT

New York, Nov. 16.—Panchito Villa, Filipino holder of the American flyweight championship, went out of his class tonight and defeated Abe Goldstein, New York bantamweight, in a 15-round contest at Madison Square Garden.

Villa received the judges' decision after decisively outpunching and outpunching his heavier rival.

Villa forced the fighting from start to finish, shooting over a wicked left to the head or body as he weaved in and around his opponent with cat-like agility.

He drew blood from Goldstein's nose early in the bout, had a wide margin during most of the in-fighting and in the last few rounds staggered the New Yorker with his rushing attack on several occasions.

Goldstein landed few effective punches. He seemed content to let the little brown man maintain the aggressive, occasionally shooting over hooks to the jaw that failed to have any damaging effect.

Villa's title was not at stake. The agreement for the bout called for the principals to make 115 pounds, whereas the flyweight limit is 112 pounds. The Filipino as a result conceded five and a half pounds to his opponent, entering the ring at 110, while Goldstein scaled 112 1/2.

Villa, by his victory evened scores with Goldstein. Several months ago, in one of the Filipino's first bouts in this country, he lost a popular decision to Goldstein in a 13-round match in New Jersey.

HOREMANS SETS NEW

HIGH MARK FOR TOURNNEY
New York, Nov. 16.—Edmond Horemans, the Belgian, hung on to a new record high run of 244 for the international 152 ball billiard championship tournament in his match against Erich Hagenacler, today at the Hotel Hamilton.

In this match Horemans also had runs of 162 and 60 while his opponent had runs of 120, 78 and 44. The final score in favor of Horemans was 500 to 301.

After Hagenacler's laborious run of 120 in the 10th inning had brought him close to even terms with his rival, Horemans went into a long lead with a great cluster in his half of the inning.

The Belgian operated chiefly for ball to ball billiards with an occasional drive and the employment of his masse. It was not until he was well past the 100 mark that Horemans set the record.

His run passed the 200 mark, eclipsing the tournament record of 195 made last night by Schaefer. This run of 244 was a masterpiece of close caroms. Horemans' position play was carefully studied and his control at all times was excellent. He missed a nip draw but at the total his tally stood 480 to 218.

After his big run Horemans fell down badly. His clothes turned at the table were marred by his failure to land correctly on the second object ball. Hagenacler held to his methodical style but failed to make up the gap. Hagenacler worked out a run of 78 as his final contribution but he failed to win.

SCITUATE CREW WINS

LIFE SAVERS CUP
Cohasset, Mass., Nov. 16.—Misses gathered here they are not life savers, men from the Scituate shore today held the trophy that stands for the championship in boat racing among the 27 lifeboat crews that make up the Massachusetts Humane society's volunteer coast guard organization.

Bending their backs to the oars as

they do to get the moss from the rocks in the daily race with the tides, the Scituate crew beat out the fishermen who form the Gloucester crew, the yachting professionals who are on call at the Marblehead station and the lobstermen of Cohasset.

In the stiff scrap over a quarter mile course, in which the Gloucestermen gained the lead with Marblehead, winners last year, second, Captain Chris O'Neil pushed his Scituate hearties ahead in the last 100 yards to a victory by three feet.

WESTERN WOMEN WANT RECOGNITION IN ATHLETICS
Seattle, Wash., Nov. 16.—University of Washington co-eds as represented by Dorothy Durrant, one of the fastest girl sprinters on the campus, Katherine Brown, champion girl swimmer of the Pacific northwest, and others called attention to the fact that women of the far west were not chosen to represent the U. S. in the Olympic games.

"On the recent Olympic games team practically every woman was from east of Chicago," Miss Durrant said. "Yet I have accurate figures to show that the girls of our own locality made better marks."

"In the west there is a type of girl that evidently has never been discovered. This girl of the west is healthy and strong."

TIGERS SHARPEN THEIR

CLAWS FOR BULLDOGS
Princeton, N. J., Nov. 16.—The Princeton varsity football team was put through its last hard practice of the year today in preparation for Saturday's battle with Yale.

With the big contest only two days away, the first string men scrimmaged against the substitutes for several hours. The team was reinforced by Bill Moore, a star back in 1916 tried the Yale plays but could not gain consistently. The offense of the regulars was not used much, it being considered in good form.

Gorman and Snively both took part in the practice and can start in the Yale game if desired. Every man on the squad will be ready for a hard game. With a "big three" championship in sight interest is keener than ever before.
